Marble Legend takes on you a spiral ride through the sky puzzle! You get controlled a capable of eliminating all incoming marbles matching color bumps. You need to make sure that their status naturally doesn't suck in their marbles or it means game over! In short, the game plays exactly like Zuma's revenge. Note multiplier, ball-throwing tricks and flickshots apply the same thing here. So what does that mean? In short, if you're in ball-dropping color-matching puzzle games, that's bids exactly for you! However, just because the game is not being called Zuma's revenge doesn't mean he doesn't have the same struggles. In fact, there are very difficult areas of Marble Legends that take many retire to finish a step! Get your catapult ready and play Marble Legend on PC! Layers of Legend You marble challenge would think the only equalised game (no pun intended) around you on every level. Of course, that is until you realize the later steps turn into varying training. Square, diamonds, U-shaped stars appear to challenge your skill. In addition to their training, you will not only face off against 1 status but as many as 3 in one step! Not only do you need to think every movement carefully but you must also act fast! Easy Scroll-To-Aim Controls! Imagine Marble Legend as a sort of top-down shooting game. All you've got to do to point down is using your mouse and left-click shooting. More importantly, every shot must be counted. Whenever you miss a shot, the stack is marble up and the rest. The last thing you want is getting overwhelmed by the marble batteries. You don't want the statue laughing at your confusion, right? Alternatively, you can use the arrow keys on the keyboard to aim your capsule if you prefer this way. In the end, all that really counts are your accuracy and strategies drying out their marbles. Play Marble Legend now on PC! Download the game here on Game.lol! Then try out more Addition Game puzzle from our selections, like Okey and Six! Experience marble in an entirely new way of this exciting physics based game simulation with stunning graphics, lots of action and challenges to play and enjoy anytime, anywhere! Explore 130+ levels and challenges in single player mode for winning Marblecoins and Marbliums and Marbliums and unlock tons of new marble!
